## **NCS Deck Changing Survey**

Below are the survey results of various NCS facilities regarding their respective policy for “deck changing.” The purpose of the survey was to identify those facilities that had an existing policy specific to how a deck changing issue will be addressed.

<b>Team/Facility</b>	<b>Existing Policy?</b>	<b>Position</b>
UNC-Wilmington	Written facility policy does not address	Facility personnel address as necessary
Hickory YMCA	YMCA Code of Conduct does not address	Facility personnel address as necessary; each Y facility establishes its own code of conduct
Triangle Aquatic Center	Written facility policy does not address	Facility personnel address as necessary
North Mecklenburg Aquatics	No policy	Facility personnel address as necessary
Greensboro Aquatic Center	Written facility policy does not address	Numerous postings in locker rooms and on deck.
Mecklenburg County Aquatic Center	No policy	Facility personnel have been briefed and address as necessary
High Point Swim Club	No policy	Coaching staff addresses issues
Catawba Valley Aquatic Club	No policy	Coaching staff addresses issues
North Carolina Aquatic Club	Included in team code of conduct	No deck changing; Coaches and facility staff address as necessary

## **NC Swimming Board Retreat – Strategic Goal – To Increase Participation at the HOD meetings.**

**Summary of ideas concerning NCS Swimming's desire to increase the team participation rate at the semi-annual HOD meetings! The stated goal is to increase the participation rate by member teams from a few dozen to at least 60%. There are approximately 68 active USS teams by my count, so this would result in a goal of having about 41 teams attending each spring and fall HOD event.**

### **Options I considered:**

1. By-Laws Change! – Develop and attendance Policy, whereby member teams would be required to attend at least 1 of the 2 HOD meetings per year. With consequences of either fines and or loss of privileges. My conclusion is this might help, but very unlikely to pass an HOD Vote.
2. Incentives payments to attend:

HOD Incentives discussion- Rewards

Assumptions = 68 active teams

Goal = 60% Team participation = 41 Teams!

Incentive Amount	Participation #	LSC Cost per HOD	Participation #	LSC Cost per HOD
\$50.00	41	\$2,050.00	68	\$3,400.00
\$75.00	41	\$3,075.00	68	\$5,100.00
\$100.00	41	\$4,100.00	68	\$6,800.00

My conclusion is that this may help a little, but not get to the goals we are looking for and costs to the LSC is real money.

3. Charge each team to attend the HOD whether or not they do attend. Then return back to the team, most of the fee, if they do attend. Non-rebated funds could then be used for social events or speakers. My conclusion is that this is just trading dollars and will not have the desired results. The good news is this proposal has no real monetary impact on the LSC.
4. Enhanced Team / Coaches drawing at HOD. The question is what dollar amount (if any) does it make it worthwhile for a coach or team to attend to potentially win a raffle drawing? My conclusion again is this would not achieve the desired results even if the drawing were a \$1000.00.
5. Bring in high quality speakers at each HOD meeting that would be attractive to primarily coaches and team representatives. This idea was suggested last night and gained good support on the call. Depending on the dollar amounts, we may need to consider this an annual budget item which, I think would be well worth the expense if it enhances the participation and quality of the HOD.
6. Additional comments and suggestions are always welcome!
