National Junior Team Coach Definitions:

- The Head Coach of a club will always be named to the National Junior Team Coaches list.
- Athlete's Primary Coach, as defined below, will be named to the National Junior Team Coaches list.
Primary Coach: the coach of the athlete at the time the athlete qualifies for the National Junior Team. The coach must have been coaching the athlete for at least 90 consecutive days within a 24-month period prior to the performance.
- If an athlete moves clubs, but trained with their previous coach for at least 90 days during the 12 month period prior to the qualifying performance, the previous coach will also receive National Junior Team Coaches list/National Junior Team Roster affiliation with the athlete.
- If an athlete has been training with a new coach for more than 12 months the previous coach will lose National Junior Team Coaches list/National Junior Team Roster affiliation with the athlete at this time.
- If an athlete has been training with a University for less than 12 months, and represents their developmental club at the time of the performance, the coach and the club will get recognition on the National Junior Team roster and the coach will be named to the National Junior Team Coaches List.
- Coaches who are named to the National Junior Team Coaches list will be invited to attend the National Team Coaches Seminar.
- Primary Coaches will be invited to participate in the USA Swimming Coach Enrichment Program.
- If a current year National Junior Team athlete changes coaches during his/her year on the National Junior Team, the new coach will not be added to the National Junior Team Coaches list and the original coach will remain on the list.
- If an athlete began training with a university program the summer prior to their freshman year, then the athlete's club and Primary Coach, at that club, will be added to the National Junior Team Roster and National Junior Team Coaches list.
- Please notify Mitch Dalton if any corrections should be made to this list (mdalton@usaswimming.org).
