Looking forward to the USAS Convention and what should be a very exciting HOD. Anxious to see how the elections and legislation plays out.

Allie Fogleman began work in August as the new NCS Social Media Intern. We are starting to see the results of some of her work on the NCS website. Looking forward to further activity from Allie during this Fall's short course season.

We have an issue with the 2019 Senior Champ Meet scheduled for February 14-17, 2019 at MCAC and hosted by SwimMac. The NBA All-Star game will be conducted that same weekend in Charlotte and has created a lodging issue/shortage. Options are currently being investigated.

Since the on-line USA-S Safe Sport training video for athletes went back live in June, the previously announced (and deferred) Safe Sport athlete training incentive program will be conducted during the month of October. Also, look forward to information on a similar program for NCS parents in November or December.

Congratulations to Sarah Holman for being selected as a USA-S Bright Ideas Program finalist with the Coach/Mentor Program. Voting for overall winner will take place at convention on Friday, September 28th at 9AM.

Thanks to all the volunteers that have been active with the BOD and Committee Improvement Project and the NCS Communications Project. Many long hours have been logged and meetings conducted which have resulted in some very effective work and accomplishments.

NCS General Chair

MEMBERSHIP REPORT SUZANNE HEATH

SAA team announced. NCS prevails – all numbers up due to adding freshman, and fast ones! It is great that our coaches, athletes, and parents really participate in this program.

A question arose from a NC club regarding individuals contracted by the club to come to team practices and conduct dryland training. The question asked was did these individuals need to be USA Swimming non-athlete members and have completed a Background Screen and Athlete Protection Training?

Per Liz Cohn of the USA-S Safe Sport office, according to Rule 305.5, "Employees and volunteers of USA Swimming, Zones, LSCs and member clubs who interact directly and frequently with athletes as a regular part of their duties and individuals with any ownership interest in a member club must be non-athlete members of USA Swimming and satisfactorily complete criminal background checks as required by USA Swimming."

The example Liz gave stated that if an athlete goes on his/her own to a massage therapist, that individual does not need to be a member and complete the Safe Sport requirements. However, if a club brings in a massage therapist to work with the athletes, then that individual would have to be a member and complete the BGS and APT. Liz included the APT along with the BGS for Rule 305.5.

In response to the original question, if a club brings in volunteers or paid staff of a gym on a frequent or regular basis, those individuals would have to be members and complete the BGS and APT.

As we head into the 2018-19 swim year, please make a note of these requirements and insure that any volunteers or staff from the community who come in to work with your swimmers on a regular basis are in compliance.

This does not apply to volunteers who are timers, marshals, computer operators, etc. who assist with your swim meets.
