Scholastic All American	I believe MOR had several, but I do not currently have access to the list. Paul purchased a summer facility in 2017, converted it to a year-round facility and has been instrumental in staffing the facility and providing a swim lesson program and neighborhood swim club for many Cary residents to enjoy. He also stays active at the National, Regional and Local level in swimming organizations as a volunteer. He conducts free summer swim clinics for swimmers in the local TSA summer league and others.
Community Support	The entire organization counts on Paul to set the pathway forward on a daily basis and he keeps the MOR staff targeted with specific goals to achieve every season and every week of the season. Active in LSC, long-time member of NCS Board of Directors. Serves on USA Swimming Club Development Committee.
