EXCEPTION: Entries for new qualifiers or new events achieved by USA Swimming registered swimmers competing in the NCISAA Championships on the Monday meet entry deadline date will be accepted as on time if they are entered as override times in OME or emailed to the Entry Coordinator by Monday 6:00 PM. Entry times must be proven by Tuesday 6:00 PM for swimmers to be seeded into the new events. Proof consists solely of the official NCISAA meet results. This meet cannot be used to improve seed times in previously entered events unless it is to convert a previously entered bonus event into a qualifying event.

INDIVIDUAL ENTRIES AND LIMITS

A swimmer may enter and swim a maximum of three (3) individual events per day with a total entry of seven (7) individual events for the meet. Bonus events are offered at this meet and count toward the daily and meet limits. Time Trials are also offered and count toward a swimmer's daily limit only.

Swimmers may enter with any provable qualifying time from the qualifying period that meets the event requirements. Provable times other than the swimmer's fastest provable time may be entered via the override process in OME.

Swimmers qualifying in the 1650Y Freestyle automatically qualify for the 1000Y Freestyle and vice versa.

- 1650Y Freestyle qualifiers who want to swim the 1000Y Freestyle but do not have a provable qualifying time should enter the appropriate alternate distance event with their 1650Y/1500M Freestyle qualifying time.
- 1000Y Freestyle qualifiers who want to swim the 1650Y Freestyle but do not have a provable qualifying time should enter the appropriate alternate distance event with their 1000Y/800M Freestyle qualifying time.
- Alternate distance event qualifiers will be seeded behind qualifiers but ahead of bonus swimmers.
- Swimmers are not required to enter or swim the original qualifying event in order to enter and swim the automatic qualifying event.
- For swimmers qualifying in this way, the second event does not count toward the swimmer's bonus event limit.
- Eligible swimmers who do not have qualifying times and want to swim either of these events as a bonus should enter the regular bonus event.

Swimmers qualifying for the 200 IM automatically qualify for the 100 IM and should enter the 100 IM with their 200 IM qualifying time. Swimmers who wish to swim the 100 IM as a bonus event should enter the regular 100 IM bonus event with their 200 IM time. (Coaches, note that the TM/TU Events File indicates that events 3 and 4 are 200 IMs for qualifying standards only. Both of these events will be contested as 100Y IMs.)

Bonus events are offered at this meet as follows: Swimmers entering one qualifying event may also enter up to two bonus events and swimmers entering two qualifying events may also enter one bonus event subject to both daily and meet limits. There are no qualifying standards for the bonus events. Swimmers should enter with any provable SCY or LCM time. Swimmers without provable times for the bonus events should override with 59:59.59LCM and will be seeded last. Swimmers entering three or more qualifying events **may not enter** bonus events.

RELAY ENTRIES AND LIMITS

Relay entry times are not required to be provable and may be overridden with aggregate or estimated times.

unforeseen circumstances that arise after the meet is sanctioned. Changes require unanimous agreement of coaches at the General Meeting.

Format changes may be proposed for vote at the General Meeting as follows:

Number of Heats in Finals: If the number of qualifiers exceeds 600, four finals heats may be contested. The D Final will be first, followed by C, B, and A. A swimmer wishing to scratch from a preliminary event to make room for a time trial may scratch with the Admin Referee any time prior to the beginning of the preliminary event. Any swims scratched in this manner will not count toward a swimmer's daily 3-event limit.

NCS Scratch Rule

208.3. INDIVIDUAL SCRATCH RULE Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet announcement shall specify all mandatory check-in and scratch deadlines and procedures.

- .1 Pre-Seeded Meets - Any swimmer not reporting for or competing in an individual timed final event shall not be penalized.
- .2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch or as noted in 208.3.4 A or D. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet announcement states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 meters or longer may be closed for seeding up to twenty-four (24) hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet announcement.
- .3 Preliminary and Finals Events
 - A. Any swimmer not reporting for or competing in a pre-seeded preliminary heat when finals are scheduled shall not be penalized. If the preliminary heat is seeded on the deck then 208.3.2 applies
 - B. Any swimmer qualifying for an A final, scored or not scored, or B scored final race in an individual event who fails to compete in said A or B final race shall be barred from further competition for the remainder of the meet, except as noted in 208.3.4. For events occurring on the last day of a meet, a fine of \$100 per missed swim shall also be assessed to the club by the appropriate Division Chair for failure to compete. A declared false start or deliberate delay of meet is not permitted and will be regarded as a failure to compete.
 - C. In the event of withdrawal or barring of a swimmer from competition, when possible, the Referee shall fill the A, B, or C final with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These and all other alternates and those qualifying for non-scoring B or C finals shall not be penalized if unavailable to compete
 - D. When the B or C final has not yet been swum and a barring or withdrawal is known in advance by the Referee, the Referee should re-seed the A, B, or C finals, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final. In order to prevent undue delay of the A, B, or C finals, the Referee may elect to fill the empty lane(s), without re-seeding, with the next qualified alternate, or if unavailable, the next qualified swimmer(s) who is/are present in the starting area and ready to swim
 - E. If a C or B final has already been swum, the A final of that event shall be swum without filling the empty lane(s)
- .4 Exception for Failure to Compete - No penalty shall apply for failure to compete in or scratch an individual event if:
 - A. The Referee is notified in the event of illness or injury and accepts the proof thereof.
 - B. The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or re-swim.
 - C. The swimmer was not named in any finals heat during the initial announcement of results

- D. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
