East Carolina Aquatics recently earned USA Swimming's new Safe Sport Club Recognition.

The Safe Sport Club Recognition program distinguishes USA Swimming clubs that demonstrate their commitment to creating safe, healthy and positive environments for all their members through the development and implementation of athlete protection policies as well as Safe Sport best practices and education.

ECA is one of 14 swim clubs in North Carolina to have achieved the designation to date.

As such, ECA will be highlighted as a Safe Sport Recognized Club with a banner on its team listing in the USA Swimming Find-a-Team search tool. ECA has been listed on the NC Swimming Safe Sport Honor Roll, and earned a badge for display on its team website at www.swimeca.org.

East Carolina Aquatics offers a range of year-round programming from Learn to Swim to competitive swimming for youth and adults ages 4 and up, with almost 400 swimmers at practice sites in Greenville, Camp Lejeune, Morehead City, Cape Carteret and Washington.

The Safe Sport designation can be renewed every two years.
