

NORTH CAROLINA SWIMMING

2020 SPRING HOUSE OF DELEGATES

All NCS Spring HOD Weekend Meetings will be held via ZOOM. Each session has a separate login. Click the link next to the session you would like to join. No passwords are required. There is not a separate HOD meeting since there is no legislation requiring a vote and there are no elections. A meet schedule for the 2020-21 Short Course season will be developed at the Meet Schedule Planning meeting on Sunday morning for approval by the BOD. That same ZOOM session will also include Senior & Age Group committee discussions and Camps & Clinics committee discussions.
