ELIGIBILITY

ESSZ Sectional meets are open to the members of the Eastern Section of the Southern Zone - USA Swimming registered clubs and unattached swimmers who are in good standing with specified LSCs, the ESSZ, and USA Swimming and meet the entry requirements. All USA Swimming registered clubs and unattached swimmers in the following LSCs are eligible to join the ESSZ: Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Southeastern, and West Virginia. Teams and unattached swimmers may become annual members by paying the membership fee via check made payable to: **NC Regional Fund** and mailed with the application to: 2022 ESSZ Membership, c/o Jonathan Watson, Treasurer, 6766 Chauncey Drive, Raleigh, NC 27615. Membership fees are \$40 prior to December 31 and \$150 after.

USA Swimming member athletes and clubs from outside these LSC boundaries are eligible to participate provided they 1) receive the approval to attend from the ESSZ Chair or delegate at least three months prior to the first day of the meet, 2) become registered associate members of the ESSZ prior to the meet entry deadline, and 3) meet the entry requirements. Associate membership fees of \$45 must be paid via check made payable to: **NC Regional Fund** and mailed with the application to: 2022 ESSZ Membership, c/o Jonathan Watson, Treasurer, 6766 Chauncey Drive, Raleigh, NC 27615.

All swimmers must be members of USA Swimming. Each club is responsible for the proper registration of its swimmers and coaches. The person signing the entry form accepts all responsibility for compliance. Each coach attending the meet must be listed on the coach contact form. All coaches must be properly certified members of USA Swimming throughout the meet. Swimmers attending the meet without a coach must arrange to be supervised by a USA Swimming member coach from another team in attendance. There will be no on deck USA Swimming registration available at this meet.

ENTRY LIMITS

Swimmers may enter as many events for which they qualify and as many bonus events as they choose but may swim a maximum of three (3) individual events per day including Time Trials. **The swimmer is responsible for scratching from oversubscribed events.** Otherwise, swimmers will be automatically scratched from their fourth and subsequent events over the three event daily limit. Scratches must be received by the Admin Referee by the relevant scratch deadline in order not to count toward a swimmer's daily event limit.

Each team will be limited to two relay teams per event.

ENTRY REQUIREMENTS, QUALIFYING TIME STANDARDS, and QUALIFYING PERIOD

All ESSZ swimmers must enter at least one event for which they have attained the current Sectional meet time standard in long course meters or short course yards. Qualifying times must be available in SWIMS and have been achieved at a USA Swimming sanctioned, approved, or observed meet between the first day of the ESSZ Spring Senior Sectional meet approximately 18 months prior and the entry deadline for the current meet. ESSZ teams with relay only swimmers must declare those swimmers on their OME roster.

Out-of-ESSZ swimmers must enter at least one event for which they have attained the current Sectional meet time standard in long course meters or short course yards. Qualifying times must be available in SWIMS and have been achieved at a USA Swimming sanctioned, approved, or observed meet between the first day of the ESSZ Spring Senior Sectional meet approximately 18 months prior and the entry deadline for the current meet. Out-of-ESSZ teams are **not** permitted to enter relay only swimmers.

All swimmers must enter in the course in which they achieved the time standard (LCM/SCM/SCY.) Faster times achieved after the entry deadline will not be accepted as updates to previously entered times.

The qualifying period for the current Sectional meet is **Thursday, March 4, 2021 through Monday, July 11, 2022.**

BONUS EVENTS

Qualifiers may enter any number of bonus events for which they qualify subject to daily event limits. However, swimmers who compete in bonus events but fail to attain or better the ESSZ meet qualifying time standard are subject to fines as described below.

FAILURE TO ATTAIN TIME STANDARDS

ESSZ and out-of-ESSZ swimmers who compete but fail to equal or better the current ESSZ meet time standards in any individual event (regular or bonus) must be able to prove that they have previously achieved the current ESSZ meet qualifying time. The only acceptable proof-of-time will be official meet results from a USA Swimming sanctioned, approved, or observed competition. Any qualifying time from the SWIMS database used as an entry time will automatically constitute proof unless an override entry time is used. Swimmers unable to provide proof of time will be assessed a \$25 fine for each event they cannot prove. Proof of times is due by September 30. Beginning October 1, fines are doubled to \$50 per occurrence regardless of provability.

In the event a swimmer does not pay an assessed fine, neither the swimmer nor the swimmer's team will be eligible to enter future ESSZ Sectional meets until such time as the fine is paid. Teams with outstanding fines must pay prior to the entry deadline of any Sectional meet in which they intend to compete. Fines will be deposited with no further need of proof. All fines collected go to the ESSZ Travel Fund.

DISABILITY SWIMMER ENTRIES

All disability swimmers must have met the current Can Am standards in long course meters, short course meters, or short course yards for EACH event entered. Times must have been achieved between the first day of the ESSZ Senior Sectional meet approximately 18 months prior and the entry deadline for the current meet.
