- Follow-up from previous board business at the end of last year, to document a policy change for the procedure for Identifying the Delegates from the board to represent NCS at the National HOD. The board reviewed and discussed whether the procedure was a policy change or a by-law change. A proposal was made to adopt that procedure as a policy change; if desired later to change the procedure to a by-law change it will be done through the Legislative Committee at a time when there will be legislation presented at HOD.

MOTION: To adopt the procedure that NCS uses to Identify how NCS will identify Delegates to represent NCS at National HOD as a policy – Passed Unanimously

Business Meeting

- Reviewed the Champs Meet policy which captures the current practice; what has been done the past few seasons with teams hosting SC and LC Sr. Champs, such as stipends to help support teams host.
