

IMPORTANT CHANGES IN RED

2023 NCS Short Course Age Group Championships Team/Parent Guide **Updated 2.15/23**

Spectators

To provide a safe and controlled competition for our athletes and avoid the overcrowding issues experienced at recent meets held at MCAC, Spectators will NOT be allowed in the facility during morning preliminary, and afternoon timed final sessions on Thursday, Friday, Saturday, and Sunday of the meet.

Spectators will be allowed during finals sessions only on Friday, Saturday, and Sunday evenings.

Swimmer Pick up/Drop Off

Parents may pick up and drop off swimmers at the facility Drive Loop. There will be a tent for those waiting for pick up. **It is a driveway, not a parking area. Please do not enter the driveway until your swimmer is in front of the building.** Thank you for being respectful of the other parents picking up their athletes.

Parking

There will be NO onsite parking available for athletes and parents. Onsite parking will only accommodate coaches, officials and meet management by permit. *Please note that cars parked in the Second Ward High School lots or in fire lanes will be towed.*

There should be ample free parking within 100 yards of the facility at either of the following two lots:

- 701 E. Martin Luther King Jr. Blvd. (East side of MLK Jr. - across the street from MCAC)
- Bob Walton Plaza Lot – Corner of E. Brooklyn Village Ave. and S. McDowell St. (behind MCAC)

Additional “paid parking” may be available at area hotels. We highly recommend that those utilizing the nearby hotels walk to the facility. “Meet preferred” hotels may be found [here](#).
